

# FIF Stockholm Conclusions (1)

- Catalogue/mapping of national FI-enabled smart\* activities
  - Template by the Commission (proposed deadline: 26 February)
  - Shared with broader community (FIF web site, Info Day in early March 2010, ...)
  - To be refined and finalised at the next FIF meeting in Valencia

**Including infrastructure that may be accessible  
for PPP implementation**

# FIF Stockholm Conclusions (2)

- Identify 1-2 smart\* best practices to be presented at the next FIF
- Inviting more cities covering more domains, approaches, etc. E.g. IT, IL, ...

# FIF Stockholm Conclusions (3)

- Ideas on how foster collaboration among MS activities
- Continue the good practice of presenting MS and AS initiatives to all members (e.g. ES, IL, PT, GR, ...)

# **FIF Stockholm Conclusions (4)**

- **Input from FIF members on the FI PPP is welcome:**
  - **How the proposed approach fits with national strategy**
  - **What national actions this communication could trigger**
  - **Implementation modalities and timing**
  - **Opportunities for integration of activities where necessary**
  - **Input to be articulated with ICTC committee and other bodies**
  - **FIF as a gateway vis-a-vis the local and national initiatives/policies**

# FIF Stockholm Conclusions (5)

- **Practical (but not less important points):**
  - FIF Newsletter: call for contributions (e.g. Valencia Event + FIF meeting, PPP status & related events, 2 MS initiatives to be selected, 4 smart cities success stories, views of a high level expert)
  - FIF Brochure: we need your collaboration, i.e. pictures and other material
  - FIF Prize to be given to the best initiative in the Member and Associated states
    - Price Award committee
    - Award criteria, etc.
    - Ceremony in the context of the FIA events
    - IR, SE, IT to help setting up the award committee

# FIF Stockholm Conclusions (6)

- Given the rapid FI PPP preparation, the Commission proposes to hold meetings during 2010 as follows:
  - FI PPP Information Day, Brussels, first half of March 2010
  - Regular FIF meeting collocated with the FIA workshop, Valencia, 15 April 2010
  - Extraordinary FIF meeting collocated with the ICT Event 2010, Brussels, 27-29 September 2010
  - Regular FIF meeting collocated with the FIA workshop, Ghent, 1st half of December 2010
