CIP-ICT-PSP Funded 'Smart Cities' Project

September 2012

Citadel is all about Local...

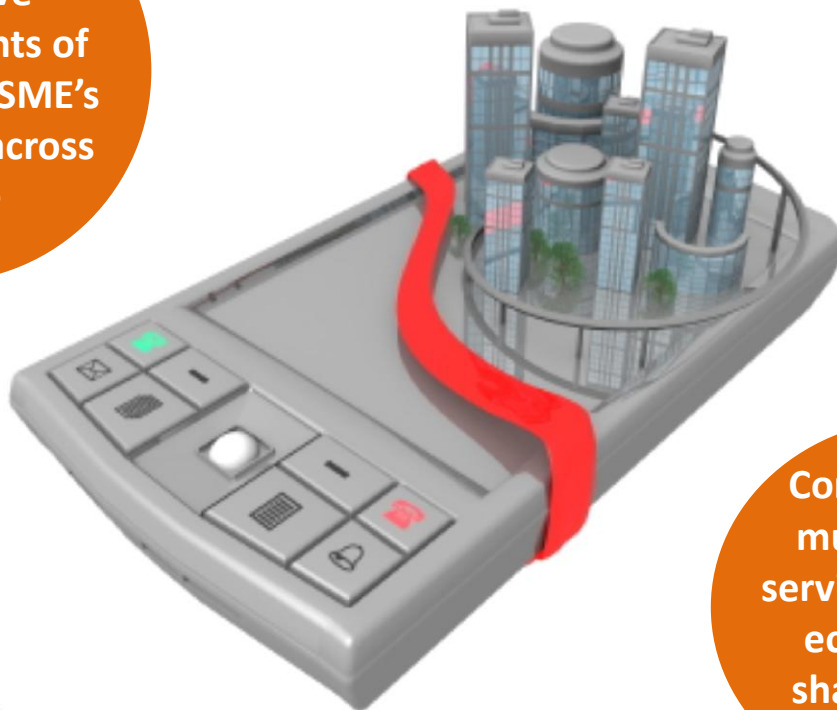

# And Turning Words into Reality....

# Citadel Smart City Vision

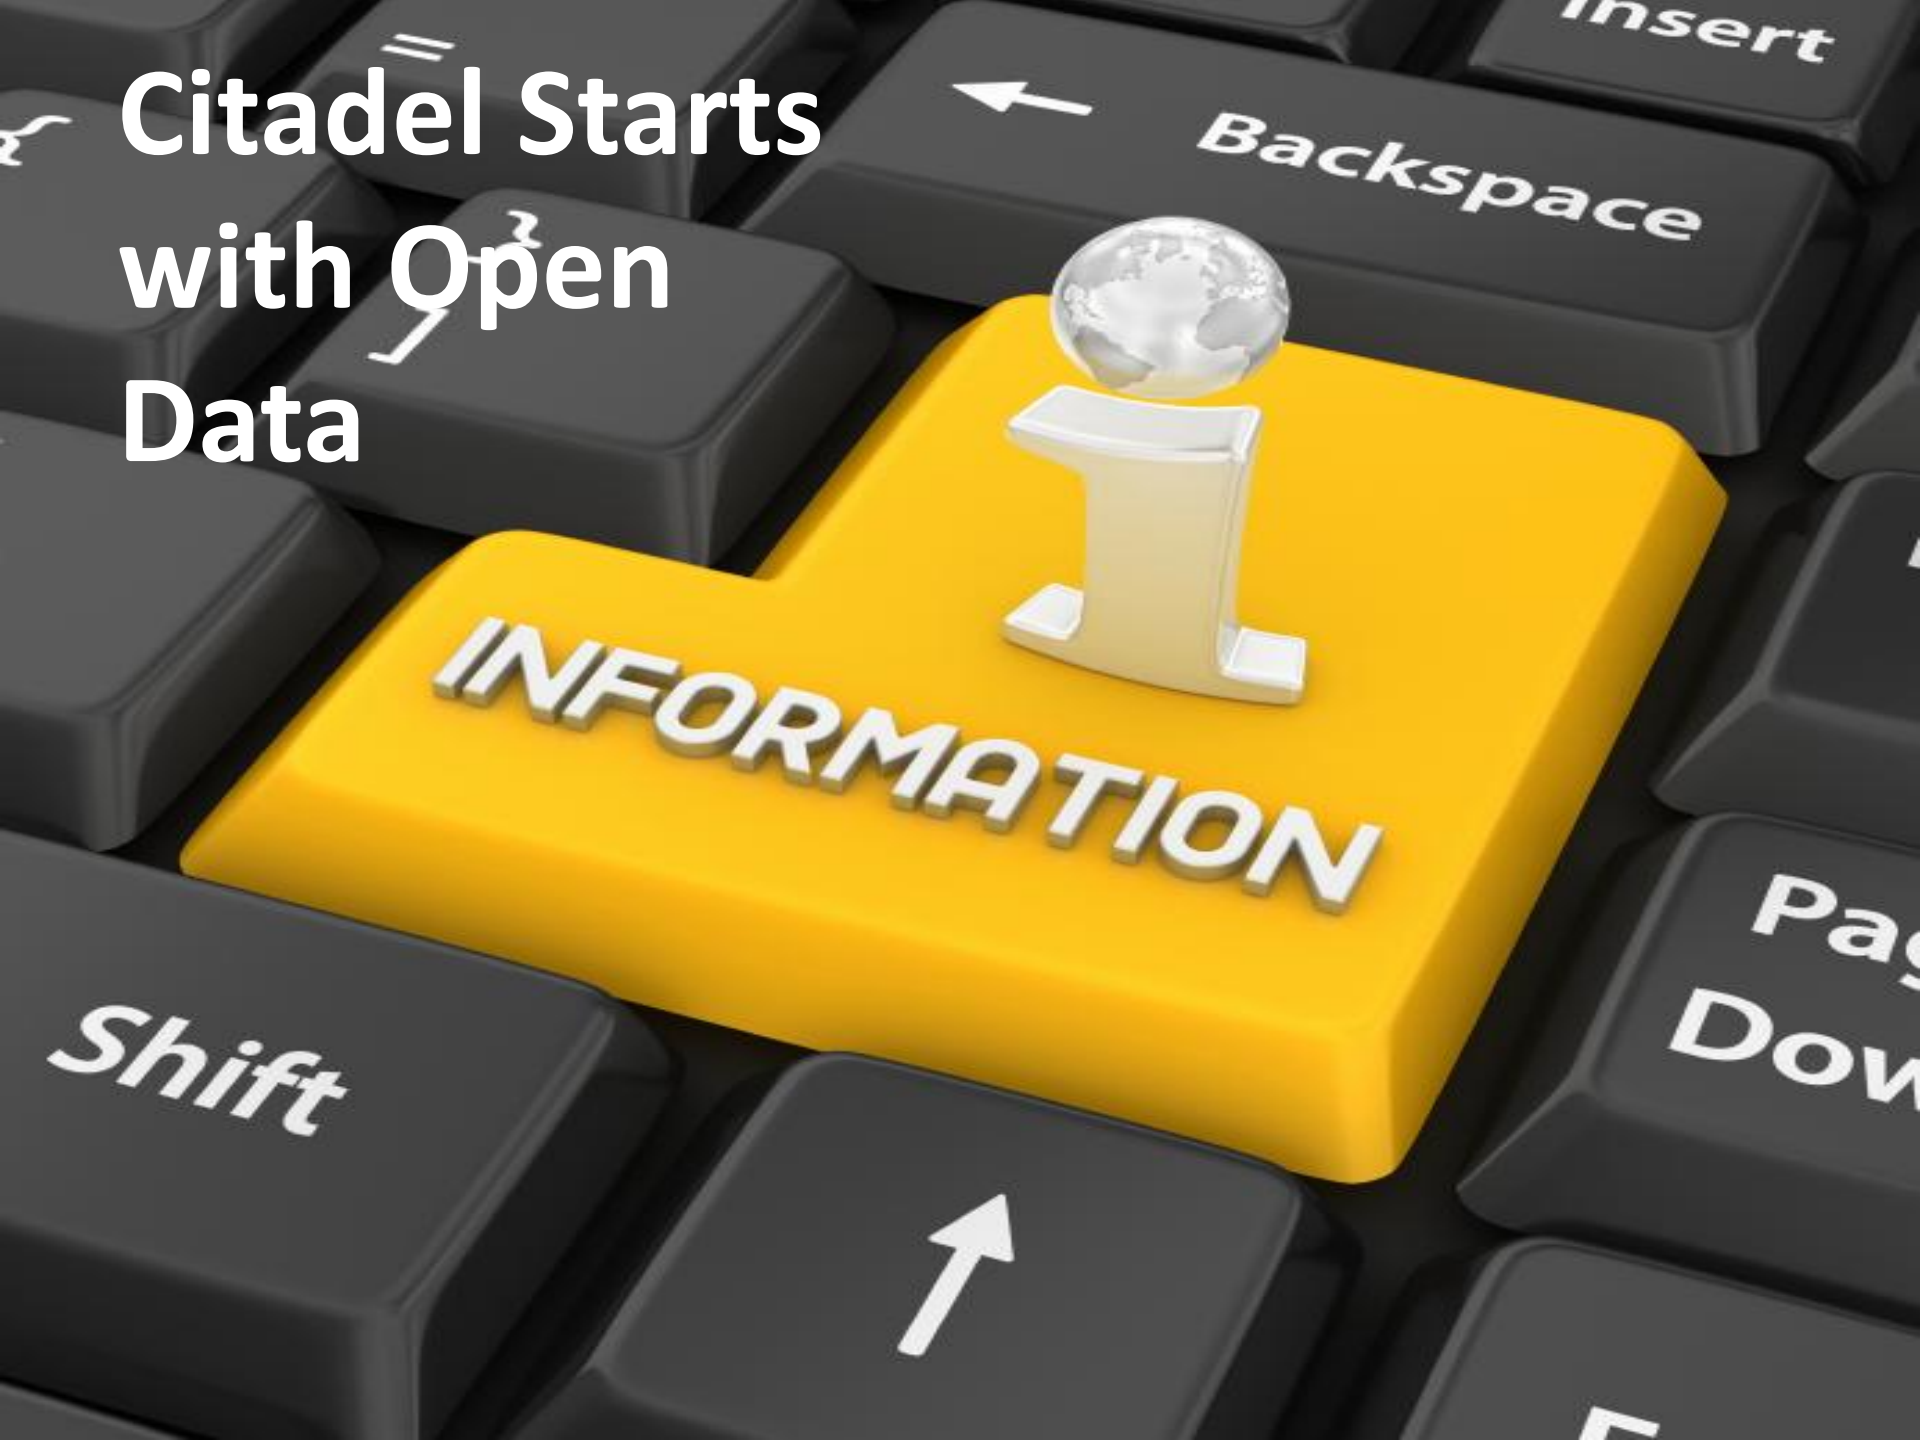

**Benefit from  
innovative  
developments of  
citizens and SME's  
and others across  
Europe**

**Harness power  
of freely available  
easy to use Open Data  
for creation of mobile  
services**

**Contribute to a  
multi-national  
service-orientated  
ecosystem by  
sharing mobile  
services**

# Citadel Starts with Open Data

# and Overcoming Bureaucratic Barriers...

Silos don't  
come down,  
they just age!

# Citadel Tackles this Challenge by.....

STANDARDS
